

NANTUCKET SINKS STANDARD SHIPPING SCHEDULE | 2026 **Effective 1/1/2026**

- For any clarification on subjects not covered in this schedule or for any questions regarding ETA, shipping cost, etc.; please contact Matt O'Brien at Orders@NantucketSinksUSA.com.
- Please note that the listed charges reflect standard ground speed shipping to Commercial addresses in the Continental US. These shipments may originate from our Rhode Island, Virginia or Nevada warehouses depending on item availability.
- For any expedited or international shipments, please contact us for quotes. Please note that cut-off for same-day shipment is 1pm EST (including for expedited requests). Please note that shipments from our Virginia WHS will ship the day after PO is received.
- All Residential drop-shipments / out of territory shipments will be assessed an additional flat rate surcharge of \$10. Residential is determined at time of shipping.
- Any address corrections made by UPS may be subject to a \$20 charge at our discretion after original invoicing.
- Standard FFA amount is \$3500.00. Pallet shipments below FFA level priced at shipper's discretion using best pricing and consolidation practices.
- **Shipments must be inspected for damage / defects AND we must be notified within two months to qualify for N/C replacement or credit.** In the result of a shipment being damaged in transit; we would ask you to receive and photograph the item so we can either issue a credit or send a no-cost replacement. Please DO NOT refuse damaged items to return to us or dispose of damaged items without our approval. We will advise how to proceed after receiving photos to assess the issue. If you choose to ship on your own shipping account, you are responsible for recouping / claiming any damages.
