PLYMOUTH COLLECTION  
Granite Composite Sinks

are **bacteria resistant**, **scratch resistant**, as well as **stain resistant**. Our non-porous material provides a safe hygienic surface for your most used appliance in the kitchen ...your sink!

Our color fast **UV protection** will maintain the life of the sink.

Spills are not an issue with our **non-porous granite material**.

The sink is your most used appliance. We kept that in mind when designing the technology used to make this **antimicrobial surface**.

Our granite material is **heat resistant** up to 560° degrees farenheit.

Verify that the **installation** process defined fits the needs of your kitchen project.

Verify that the you have the **minimum sink base recommended** for installation.

Made and hand finished in **Italy**.

**Available Colors (shown left):** Black (BL), Brown (BR), Titanium (TI), Truffle (TR), Sand (S), and White (W).
