SINKS

Care & Maintenance

Brass & Nickel | Brightwork Collection

Care & Maintenance Instructions

- Before initial use, seal the finish with a superior quality carnauba paste wax (Repeat every 6 months to protect living finish)
- Wash gently daily with a small amount of soap and a soft damp cloth. Use a mild soap, free of anti-bacterial properties that may contain bleach (ex: The Original Dawn)
- Rinse thoroughly and hand dry (Never use steel wool, scouring pad, or sponge to clean the surface)

-
- * **The use of any cleaners or disinfectants other than mild soap and water will void the warranty.**
 - * **Personal Care and everyday use products (ex: face cleansers, toothpaste, grooming products, wine, fruit acid, ketchup, etc.) can and will alter the finish, voiding the warranty.**

If you have further questions about taking care of your sink or have a particularly tough stain, feel free to contact us and we will be happy to help.
